SYDNEY WAS ALSO WORRIED ABOUT BEING ABLE TO FINANCE HER TRAINING.

But Sydney chose to see this obstacle as an opportunity and not a roadblock.

As a result, she became an entrepreneur!

She now owns her own soap business, and let us tell you...she is not messing around!

"I now sell homemade soaps! I use this money to pay for my training. I also mow lawns in the summertime! Any money I can't fundraise, I spend my own gift money from birthdays and holidays. I now have the confidence and skills for college auditions this year!"
